TERMS & CONDITIONS

Incentive Offer

This offer provides rebates for the purchase of new, installed qualifying products and is not dependent on the purchase of any other product or service unless indicated. The rebates on this application are available to residential homes or residential rental buildings of 12 units or less with natural gas service located in Citizens Energy Group's Indiana service territory. One application must be completed for each address in which the product is installed. The Citizens Energy Group rebate cannot exceed the cost of the equipment or service. Equipment must be purchased, installed and operational between January 1, 2014 and December 31, 2014. Citizens Energy Group reserves the right to alter or discontinue the rebate offers at any time without notice. Rebate funds are limited and are available on a first-come, first-served basis.

General Eligibility

For a current list of qualifying equipment, visit www.CitizensEnergySavers.com. Applicants must use natural gas for all equipment installed and a furnace, with a sealed combustion unit, must be the primary heat source for the home's living space. Dual-fuel systems are not eligible. Boilers must have a modulating burner and include an outdoor air temperature reset control. Chimney liners must be installed where an atmospherically drafted appliance remains in the existing chimney after a sealed combustion unit has been installed. A sealed combustion unit must provide combustion air from outside the home. Installers must also complete the flue closure protocol when a sealed combustion unit has been installed.

Compliance

All projects must comply with applicable federal, state and local laws and regulations, including building codes, and manufacturers' specifications. All equipment must be purchased new and cannot be resale equipment, new parts installed in existing equipment or equipment that is leased, rebuilt, rented, purchased with insurance proceeds, replaced by a warranty or won as a prize. Existing equipment must be removed or permanently disconnected.

Application Delivery

A complete, signed application and itemized invoices for materials and labor must be submitted at the address located on the cover page of this application within 60 days of project completion. The invoice(s) must indicate the date of purchase, size, type, make, model and total project cost. Receipt of an application does not guarantee payment of a rebate. Citizens Energy Group is not responsible for items lost or damaged in the mail. Citizens Energy Group will pay only one rebate for each eligible product installed. Please allow up to six weeks to receive your rebate. Incomplete applications will not be processed. Failure to provide supporting documentation will be considered an incomplete application. Please keep a copy of your application and supporting documentation for your records.

Verification

Citizens Energy Group reserves the right to verify sales receipts and/or installations of products before issuing rebates. A random inspection may be conducted to verify installations. Making false statements on any Citizens Energy Group rebate application is punishable by law. Any and all funds determined, in Citizens Energy Group's sole discretion, to have been acquired on the basis of fraudulent or misrepresented information must be returned to Citizens Energy Group. Citizens Energy Group reserves the right to refuse payment and participation if the signatory(ies), applicant(s), customer(s) or contractor(s) violate program rules or procedures.

Tax Information

Rebates may be subject to federal and/or state income tax reporting. Applicant is responsible for contacting a qualified tax advisor to determine tax liability. If you purchase an energy-efficient product for your home, you may be eligible for a federal tax credit. Visit www.energystar.gov/tax credits for more information. Citizens Energy Group is not responsible for any tax liability imposed on the customer as a result of the payment of incentives.

Customer Information

Citizens Energy Group reserves the right to disclose your account number, federal tax ID or social security number and consumption data to its subcontractors for the sole purpose of administering Citizens Energy Group's program. Subcontractors are contractually obligated to protect the confidentiality of this information.

Publicity

Citizens Energy Group reserves the right to publicize your participation in this program, unless you specifically request otherwise.

Logo Use

Customers or contractors may not use the Citizens Energy Group program name or logo in any marketing, advertising, or promotional material without written permission.

Disclaimer

Citizens Energy Group does not guarantee that energy efficiency measures purchased and installed or services provided through this program will result in energy and cost savings. Citizens Energy Group reserves the right to deny or limit any rebate request. In addition, no warranties on product or service installations are provided by Citizens Energy Group, nor does the program warranty, guarantee or endorse the energy efficiency services provided by any specific contractor participating in the program.
