

Vectren Indiana 2016 Residential Rebate Application

Thank you for participating in Vectren's Indiana Residential Rebate Program! Refer to the information below to ensure you are eligible for program rebates and your application is complete. Please retain a copy of your completed application and all invoices for your records. Visit Vectren.com/saveenergy to apply online, view complete terms and conditions and find lists of qualifying equipment.

Need Help?

For assistance completing this application, call **1-866-749-7206** to speak with a Vectren Energy Efficiency Advisor.

What You Will Need

- A copy of your itemized invoice that contains all equipment and installation information (please keep the original for your records)
- Your Vectren account number from your most recent bill
- Installing contractor information (if applicable)
- AHRI Certificate for the appropriate equipment
- For self-installation, please provide a purchase receipt for equipment installed

HOW TO APPLY FOR A REBATE

Step 1: Determine Eligibility

▪ Applicant

The property must be serviced by Vectren Energy Delivery of Indiana, Inc. ("Vectren") under an active residential account.

▪ Application and Installation

The application must be postmarked within 60 days of equipment installation to be eligible for a rebate.

For new construction projects, builders must submit applications and supporting documentation within 60 days after building inspection and approval and/or issuance of a certificate of occupancy.)

▪ Equipment & Service

The installed equipment must be new; no refurbished equipment will be accepted. Equipment must be purchased and installed between January 1, 2016 and December 31, 2016.

Read all individual rebate qualifications carefully to ensure your product qualifies.

Step 2: Complete Application & Attach Invoices

▪ Complete Application

Unless noted otherwise, all fields must be completed on the application to receive a rebate. Incomplete applications will not be processed.

▪ Sign Application

The application must be signed in the space provided on page 2 of the application receive a rebate.

▪ Attach Invoice(s)

Ensure that you have attached a copy of all equipment invoices, spec sheets and the AHRI Certificate of Product Ratings for the applicable equipment to the rebate application.

The invoice should include:

- » Equipment make, model and serial number
- » Date of installation
- » Total number of units installed
- » Total project cost of the equipment
- » Instant rebate amount (if applicable)

Step 3: Submit Paperwork

▪ Double-check Information

Make sure the information listed on the application is correct and that you have provided all required information, invoices, spec sheets, and certificates.

▪ Submit Application

Submit your completed application along with required documentation within 60 calendar days of equipment installation in one of the following ways:

Mail your application to:

Vectren Energy
Delivery of Indiana
ATTN: Rebates, PO Box 3552,
Evansville, IN 47734-3552

Email your application to:

INrebates@vectren.com

If you choose to email your application, be sure to include all invoices as email attachments.

Fax* your application to:

1-866-728-8291

**You will receive an email confirmation once your application has been received via FAX. If you do not receive confirmation within 3 business days call 1-866-749-7206.*

Signatures

I hereby certify that: 1) The information contained in this application is accurate and complete. 2) All rules of this incentive application have been followed. 3) I have read and understand the **Terms and Conditions** found at Vectren.com/SaveEnergy. I agree to verification of equipment installation which may include a site inspection by a program or utility representative. I understand that I am not allowed to receive more than one incentive from this program on any one piece of equipment. I hereby agree to indemnify, hold harmless and release the utility and program administrator from any actions or claims in regard to the installation, operation and disposal of equipment (and related materials) covered herein, including liability from any incidental or consequential damages.

If, as the **Installing Contractor**, I am submitting an **Instant Discount** application, I certify that I have provided the full rebate as an instant discount to the account customer listed on this application. I have explained to the customer that the rebate he/she qualifies for has been applied as a discount off the purchase price, and he/she will not be eligible to receive a rebate for the same product(s) being submitted in the application. Submitted with this application, is the required invoice clearly itemizing the amount of the rebate provided as a discount to the customer.

Customer / Account Holder Signature	Date	Contractor Signature	Date
<i>Customer / Account Holder signature is required</i>		<i>For the Instant Discount Option, the Contractor's signature is required.</i>	

EQUIPMENT INFORMATION

Only one installation address and account number can be submitted on an application. For additional account numbers, please complete separate applications.

Home must utilize the Vectren fuel source specified (Natural Gas, Electric) for all space heating needs.

Please the requested rebate. This page may be copied for multiple units. Please print legibly.

PROGRAMMABLE THERMOSTAT—Vectren Natural Gas or Vectren Electric Service

#	Unit Controlled (Please <input checked="" type="checkbox"/>)	Manufacturer/Make	Model Number	Serial Number	Date Installed	Rebate
1	<input type="checkbox"/> Air Conditioner <input type="checkbox"/> Heat Pump <input type="checkbox"/> Furnace <input type="checkbox"/> Boiler					\$20
2	<input type="checkbox"/> Air Conditioner <input type="checkbox"/> Heat Pump <input type="checkbox"/> Furnace <input type="checkbox"/> Boiler					\$20

- Homes using Vectren natural gas or Vectren electric as the primary heat source are eligible for this rebate. Dual fuel systems are not eligible.
- Rebate available for existing homes only; new construction is not eligible.
- If a Programmable Thermostat was purchased at the time of a 2016 Vectren Home Energy Assessment, you are not eligible for this rebate.
- Must be digital and have the following features: wake, day, evening, and sleep daily settings, weekday vs. weekend setting (5-2, 5-1-1), override or hold setting.
- Serial number is preferred, but not required.

SMART Wi-Fi ENABLED THERMOSTAT—Vectren Natural Gas or Vectren Electric Service

#	Unit Controlled (Please <input checked="" type="checkbox"/>)	Manufacturer/Make	Model Number	Serial Number	Date Installed	Rebate
1	<input type="checkbox"/> Air Conditioner <input type="checkbox"/> Heat Pump <input type="checkbox"/> Furnace <input type="checkbox"/> Boiler					\$100
2	<input type="checkbox"/> Air Conditioner <input type="checkbox"/> Heat Pump <input type="checkbox"/> Furnace <input type="checkbox"/> Boiler					\$100
3	<input type="checkbox"/> Air Conditioner <input type="checkbox"/> Heat Pump <input type="checkbox"/> Furnace <input type="checkbox"/> Boiler					\$100

- Homes using Vectren natural gas or Vectren electric as the primary heat source are eligible for this rebate. Dual fuel systems are not eligible.
- Rebate available for existing homes only; new construction is not eligible.
- Must be Wi-Fi capable and connected to the internet for programming and adjusting remotely.
- Serial number is preferred, but not required.
- Limit of three Wi-Fi enabled thermostats per home.

BOILER—Vectren Natural Gas Service

Replacement New Construction

Equipment Specification	AFUE	Input Capacity (MBtuh)	Heating Capacity (MBtuh)	AHRI Reference Number	Date Installed	Rebate
≥ 90% AFUE						\$300
	Manufacturer/Make			Model Number	Serial Number	

- Homes using Vectren natural gas as the primary heat source are eligible for this rebate.
- Input capacity must be < 300 MBTUH
- AFUE = Annual Fuel Utilization Efficiency; MBTUH = British Thermal Units per hour
- An AHRI certificate must be submitted with the application. The Air-Conditioning, Heating and Refrigeration Institute (AHRI) maintain a directory of certified product performance for HVAC equipment. To obtain a copy of the AHRI certificate and certificate reference number, please visit: www.ahridirectory.org/ahridirectory/pages/home.aspx.

FURNACE—Vectren Natural Gas Service

Replacement New Construction

Equipment Specifications (Please <input checked="" type="checkbox"/>)	AFUE	Heating Capacity (BTUh)	AHRI Reference Number	Date Installed	Enter Rebate Amount
<input type="checkbox"/> ≥ 95% AFUE \$250 Rebate					\$
<input type="checkbox"/> ≥ 97% AFUE \$300 Rebate	Manufacturer/Make		Model Number	Serial Number	

- Homes using Vectren natural gas as the primary heat source are eligible for this rebate.
- AFUE = Annual Fuel Utilization Efficiency; BTUH = British Thermal Units per hour
- Furnace must be primary heat source for home's living space and be a sealed combustion unit.
- Systems supplementing gas space heating with an air source or geothermal heat pump are not eligible.
- An AHRI certificate must be submitted with the application. The Air-Conditioning, Heating and Refrigeration Institute (AHRI) maintain a directory of certified product performance for HVAC equipment. To obtain a copy of the AHRI certificate and certificate reference number, please visit: www.ahridirectory.org/ahridirectory/pages/home.aspx.

EQUIPMENT INFORMATION

EQUIPMENT INFORMATION

DUAL-FUEL HEAT PUMP—Vectren Natural Gas + Vectren Electric Service Replacement New Construction

Equipment Specifications (Please <input checked="" type="checkbox"/>)	SEER	Btuh	HSPF	AHRI Reference Number	Date Installed	Enter Rebate Amount
<input type="checkbox"/> SEER ≥ 16 \$300 Rebate						\$
<input type="checkbox"/> SEER ≥ 18 \$500 Rebate						
OUTDOOR Unit Manufacturer	OUTDOOR Unit Model Number			OUTDOOR Unit Serial Number		
INDOOR Unit (Evaporator Coil) Manufacturer	INDOOR Unit Model Number			INDOOR Unit Serial Number		

- Homes using dual-fuel (Vectren natural gas + Vectren electric service) as the primary heat source are eligible for this rebate.
- SEER = Seasonal Energy Efficiency Ratio; HSPF = Heating Seasonal Performance Factor; Btuh = British Thermal Units per Hour
- Purchase must be a high-efficiency dual-fuel air source heat pump.
- Geothermal heat pumps do not qualify.
- Both the condenser and indoor unit must be replaced as part of an AHRI rated qualifying system.
- An AHRI certificate must be submitted with the application. The Air-Conditioning, Heating and Refrigeration Institute (AHRI) maintain a directory of certified product performance for HVAC equipment. To obtain a copy of the AHRI certificate and certificate reference number, please visit: www.ahridirectory.org/ahridirectory/pages/home.asp.

DUCTLESS HEAT PUMP—Vectren Electric Service Replacement New Construction

Equipment Specifications (Please <input checked="" type="checkbox"/>)	SEER	Btuh	HSPF	AHRI Reference Number	Date Installed	Rebate
<input type="checkbox"/> SEER ≥ 17, 9.5 HSPF <input type="checkbox"/> Space previously unconditioned <input type="checkbox"/> New room addition to home						\$500
<input type="checkbox"/> SEER ≥ 19, 9.5 HSPF <input type="checkbox"/> Space previously unconditioned <input type="checkbox"/> New room addition to home						\$700
<input type="checkbox"/> SEER ≥ 21, 10 HSPF <input type="checkbox"/> Space previously unconditioned <input type="checkbox"/> New addition to home						\$850
<input type="checkbox"/> SEER ≥ 23, 10 HSPF <input type="checkbox"/> Space previously unconditioned <input type="checkbox"/> New room addition to home						\$1,000
OUTDOOR Unit Manufacturer	OUTDOOR Unit Model Number			OUTDOOR Unit Serial Number		
INDOOR Unit (Evaporator Coil) Manufacturer	INDOOR Unit Model Number			INDOOR Unit Serial Number		

- Homes using Vectren electric service as the primary heat source are eligible for this rebate.
- If natural gas is used as the primary heat source, then rebates are only available for installations in a new room addition, or previously unconditioned space.
- SEER = Seasonal Energy Efficiency Ratio; HSPF = Heating Seasonal Performance Factor; Btuh = British Thermal Units per Hour
- An AHRI certificate must be submitted with the application. The Air-Conditioning, Heating and Refrigeration Institute (AHRI) maintain a directory of certified product performance for HVAC equipment. To obtain a copy of the AHRI certificate and certificate reference number, please visit: www.ahridirectory.org/ahridirectory/pages/home.asp.

HEAT PUMP WATER HEATER—Vectren Electric Service Replacement New Construction

Equipment Specifications	EF Rating	Gallons	Installation Date	Rebate
Energy Factor (EF) ≥ 2.0				\$300
	Manufacturer/Make		Model Number	Serial Number

- Homes with Vectren electric service are eligible for this rebate.
- Heat pump water heaters must have an Energy Factor (EF) of 2.0 or greater to qualify.
- Look for the EF rating on the water heater specification sheet or on the packing box. It may or may not be listed on the water heater label.

EQUIPMENT INFORMATION

POOL HEATER—Vectren Electric Service Replacement New Construction
